Be involved! PVSPS Fundraising 2017

We have had a great year of Fundraising at Pascoe Vale South Primary School in 2016, having raised over $22,000 supporting the purchase of more books and IT devices for our kids. This is only made possible through dedication of both the core fundraising team and your efforts as part of the broader school community.

We are currently pulling together the 2017 fundraising plan, which I am really excited about. The plan includes a mix of events for our kids, such as the Kids School Disco and events for the broader school community. Look out for a repeat of last year’s very entertaining and successful Comedy Night to be held at Howler Bar in Brunswick.

We would like you all to have the opportunity to contribute to fundraising, from organising one of the events, volunteering your time, contributing to raffle prizes or purchasing specific items.

In 2017, we would like to be able to communicate with you better about what opportunities are available and how you can help.

Please complete your email details by either sending directly to lizcranmer@gmail.com or completing the form and returning it to the school office.

We value your privacy and we will only use this information to keep you informed of the activities at the school and how you can help. You can elect to be removed from this list at any time.
