

PASCOE VALE SOUTH  
PRIMARY SCHOOL

# 2022 Foundation Online Virtual Information Session/Tour

*Starting school is a major life transition for both children and their families. Both challenging and exciting, it is a time of change in which children, families and educators adjust to new roles, identities, expectations, interactions and relationships.*

*– Department of Education and Training*

Due to the inability of onsite tours for prospective families, we have scheduled on Thursday evenings at 6.00pm and Friday mornings at 10.00am for online virtual information sessions.

Both Carmel (Principal) and Michelle (Assistant Principal) look forward to giving our prospective families an insight into PVSPS, and how we educate the whole child to ensure our students' primary years equip them with the essential skills to belong, learn and thrive throughout their lives. We are about developing lifelong learners that are resilient and strive for their best.

These information sessions will also include our school approach to Step Into PVSPS (SIP) Transition Program.

So please join us and have the opportunity to also ask questions about what you are looking for in your child's primary education years.

We invite you to book in a date that is convenient. For all virtual online information sessions please contact Julie at school on 9386 4301 in business hours.
