

PRSE-2021 School Review Student Feedback Summary

To ascertain the perception of PVSPS students, two JSC meetings were allocated to obtaining feedback about the school. JSC has vertical representation of students in Grade 1-6, and therefore this was a perfect forum to do this. Students were put into multi-age groups to complete the answers to the following questions using the Bus Stop Protocol. This was completed in Term 4, 2020.

Question 1: What do you like about Pascoe Vale South PS?

Question 2: What we improve at PVSPS

Question 3: How can we improve PVSPS?

Summary

Students at PVSPS feel safe and enjoying coming to school. Everyone gets along and show the school values. Students love the changes that have happened in 2020, music and dance workshop and new play spaces. Students at PVSPS share the play spaces well and love learning.

Conclusion

To keep in the spirit of Ride2School and Walk to School Initiatives, students recommended additional bike racks and skateboard racks too. Fundraising was a way that our students could raise funds for more racks and for music equipment, murals and downball courts. Continuing STEAM was a recommendation for 2021. Looking after our school environment was important to JSC and initiatives such as, nude foods, recycling and having a 'NO litter' Policy was recommended.

Where to next

The summary was shared with the school community via the Principals'' Post, Staff Briefings, COMPASS and other forums.

Present this information to the 2021 JSC and prioritise what we want to improve and how. JSC has funds to achieve some of these improvements.

PRSE-2021 School Review Student Feedback Summary

<i>What do we like about PVSPS?</i>	<i>How can we improve it?</i>	<i>How will we achieve this? (Actions)</i>
Not a lot of swearing	Bike /skate board rack	Fundraising
