PURPOSE

To ensure school staff understand their supervision and yard duty responsibilities.

SCOPE

This policy applies to all teaching and non-teaching staff at Pascoe Vale South Primary School, including education support staff, casual relief teachers and visiting teachers.

POLICY

Appropriate supervision is an important strategy to monitor student behaviour and enables staff to identify and respond to possible risks at school as they arise. It also plays a vital role in helping schools to discharge their duty of care to students.

The principal is responsible for ensuring that there is a well organised and responsive system of supervision and yard duty in place during school hours, before and after school, and on school excursions and camps and other school activities.

School staff are responsible for following reasonable and lawful instructions from the principal, including instructions to provide supervision to students at specific dates, times and places. Supervision should be undertaken in a way that identifies and mitigates risks to child safety.

Before and after school

Pascoe Vale South Primary School grounds are supervised by school staff from 8:45am until 3:45pm. Outside of these hours, school staff will not be available to supervise students

Parents and carers will be advised through notification on our school website, regular reminders in our Principals' Post that they should not allow their children to attend Pascoe Vale South Primary School outside of these hours. Families will be encouraged to contact TheirCare via the link, <https://theircare.com.au/contact/> for more information about the before and after school care facilities available to our school community.

] If a student arrives at school before supervision commences at the beginning of the day, the principal or office staff will, as soon as practicable, follow up with the parent/carer to:

- advise of the supervision arrangements before school
- request that the parent/carer make alternate arrangements.

If a student is not collected before supervision finishes at the end of the day, the principal or office staff will consider whether it is appropriate to:

- attempt to contact the parents/carers
- attempt to contact the emergency contacts
- place the student in an out of school hours care program (if available and the parent consents)
- contact Victoria Police and/or Child Protection to arrange for the supervision, care and protection of the student.

Yard duty

All staff at Pascoe Vale Primary School are expected to assist with yard duty supervision and will be included in the daily roster.

The Daily Organiser/Assistant Principal is responsible for preparing and communicating the yard duty roster on a regular basis. At Pascoe Vale South Primary School will be designated a specific yard duty area to supervise.

Students leaving school premises

The principal is responsible for approving any request for a student to leave the school premises, including during recess and lunchtime. In all cases, a parent, guardian, or authorised adult must sign the student out before they leave the school grounds.

Yard duty zones

The designated yard duty areas for our school are: See below.

Yard Duty Areas	Duty Areas
Area 1	Passive Play
Area 2	Oval
Area 3	Back Playground

School staff must:

- wear a provided safety/hi-vis vest whilst on yard duty
- carry the yard duty first aid bag at all times during supervision
- yard duty first aid bag will be the responsibility of each staff member
- be familiar with the content of the yard duty aid bag Yard duty equipment must be returned after the period of supervision or handed to the relieving staff member

Yard duty responsibilities

Staff who are rostered for yard duty must remain in the designated area until they are replaced by a relieving staff member.

During yard duty, supervising school staff must:

- methodically and actively move around the designated zone ensuring active supervision of all students
- where safe to do so, approach any unknown visitor who is observed on school grounds without a clear legitimate purpose, and ensure they have a visitor pass and have signed in
- ensure students remain in their designated year level zones
- be alert and vigilant
- intervene immediately if potentially dangerous or inappropriate behaviour is observed in the yard
- enforce behavioural standards and implement appropriate consequences for breaches of safety rules, in accordance with any relevant disciplinary measures set out in the school's Student Wellbeing and Engagement policy
- ensure that students who require first aid assistance receive it as soon as practicable
- log any incidents or near misses on Compass
- If being relieved of their yard duty shift by another staff member the staff member must ensure that a brief but adequate verbal 'handover' is given to the relieving staff member in relation to any issues which may have arisen during the first shift.

Students will be encouraged to speak to the supervising yard duty staff member if they require assistance during recess or lunchtime. The classroom teacher is responsible for the supervision of all students in their care during class.

If a student leaves the classroom without permission, telephone the office for assistance.

If a teacher needs to leave the classroom unattended at any time during a lesson, they should first contact the office for assistance. The teacher should then wait until a replacement staff member has arrived at the classroom before leaving.

Staff members will ensure adequate supervision of students when moving throughout the school to other learning spaces. Students will go in pairs when using the bathroom or running an errand.

If a teacher needs to leave the classroom unattended at any time during a lesson, they should first contact front office for assistance. The teacher should then wait until a replacement staff member has arrived at the classroom before leaving.

School activities, camps and excursions Staff members are responsible for ensuring that students are appropriately supervised during all school activities, camps and excursions, including when external providers are engaged to conduct part or all of the activity.

Appropriate supervision will be planned for school activities, camps and excursions on an individual basis, depending on the activities to be undertaken and the level of potential risk involved, and will follow the supervision requirements in the Department of Education and Training Excursions Policy.

Pascoe Vale South Primary School follows the department's [Digital Technologies - Responsible Use policy](#) with respect to supervision of students using digital devices.

Pascoe Vale South Primary School will also ensure appropriate supervision of students participating in remote and flexible learning environments while on school site. In these cases, students will be supervised in the principal's office or BER.

Students requiring additional supervision support

Sometimes students will require additional supervision, such as students with disability or other additional needs. In these cases, the principal or delegate will ensure arrangements are made to roster additional staff as required. This may include on yard duty, in the classroom or during school activities.

Supervision of student in emergency operating environments

In emergency circumstances our school will follow our Emergency Management Plan, including with respect to supervision.

In the event of any mandatory period of remote or flexible learning our School will follow the operations guidance issued by the Department.
